

## Jam Jar Lantern

These lanterns are fun to make, suitable for all ages and can be decorated with lovely colours.

**Time to make:** 1 hour

**Suitable for:** suitable for any age, young children will need to be supervised

**You will need:**

A (clean!) empty jam jar

PVA Glue

Tissue paper, fabric, doilies or transparent sweet wrappers, washi tape, ribbon

A tea light (real or a replaceable battery LED for safety)

**Stick the materials onto your jam jar**  
Using the PVA glue, stick the materials onto your jam jar. See through materials work best so the candlelight shines through them. You could create a scene which celebrates Spring – flowers, birds and sunshine - or just a colourful, cheerful pattern.

**Light Up Eden**

Place your lantern in your window or doorstep at dusk on Saturday 20th March.
